The background will be a light blue, with orange accents. In the top-left corner there will be a logo image, which will always take you back to the homepage when clicked. In the header, there will be three links: "fandoms", "merch", and "artists". The header will be divided by and orange border. There will be an orange navigation bar on the left side of the screen with links to, "popular page", "news room", "on sale", and "sell". Right under the header, above the main content of the homepage, it will say: "welcome to fandom merch!". Under that, there will be three rows containing image-links. The first row will contain featured items, the second will contain featured fandoms, and the third, featured artists. The footer will be divided by and orange border, and the background color will be a navy blue. It also will have a fixed position at the bottom of the screen, so it can always be seen no matter where you are on the page.
